

Smart. Sturdy. Simple.

Portable Displays.

With style, strength, and simplicity, PosterGarden will bring your vision to life. We carry everything you need for a successful display, including banner stands, popup booths, brochure racks, tables, chairs, flooring and more.

We've also recently introduced our very own retractable banner stands, the Flora and Lonicera, and a revolutionary new anti-curl media we call TerraPro. Together, these innovations are setting the new standard for stunning, easy-to-use portable displays.

For a truly unique display – and a hassle-free experience – contact PosterGarden today.
